

Self-Referral Portal for Physiotherapy for Enfield Residents

Dear All

New service gone live from 10th April 2020

Patient can self refer to physiotherapy once they have registered. Please put above link on your websites.

www.physioselfrefer.co.uk

There will also be promotional materials available from the CCG;

- Self-referral portal cards currently being printed for GP practices
- Poster templates that can be adopted for your PCN/Practice
- A text message link that can be sent to patients at www.physioselfrefer.co.uk/BEH or 03330 433966

The service should be linked to the NHS APP, but we are urging practices to put the above link on their website to advertise the new service.

You can also use Accurx to send a test message with the link.

For dummy patient and learning please follow below link

<http://training.physioselfrefer.co.uk/>

the site will appear as below;

The footer banner features a dark blue background. At the top center are three white social media icons: Twitter, Facebook, and Instagram. Below these icons, the text reads: **[Privacy Statement](#) [Cookie Policy](#)**, **© 2020 - AHP Suffolk. All rights reserved. Version: 1.0.8.10**, and **Website built by [NEL Commissioning Support Unit \(NHS\)](#)**. On the left side, there are three stacked logos: the 'Allied Health Professionals' logo with the tagline 'safely', the NHS logo, and the Cyber Essentials logo which includes a green checkmark. Below the Cyber Essentials logo is the 'Approved' logo from the Information Commissioner's Office (ICO), featuring a yellow square with a white swirl and the word 'APPROVED' in a white banner.
